*"Making A Difference"*  
Scholarship Program 2012

In 2011, MSP awarded five scholarships of \$1000 to deserving fast-pitch softball players that were graduating seniors and have been MSP softball tournament participants.

For 2012, we are hoping to expand the program and award more scholarships if possible. There will be an application process for these one-time scholarships, which will be awarded to individuals pursuing post-high school courses of study at either a college/university or other pos-secondary educational opportunity. More information and applications can be found at [www.playmsp.com](http://www.playmsp.com)
