

Cowbells Helping Kids

Be a part of something truly special at this year's Cowtown Showdown. Join the fun and spirit of one of the summer's premier baseball tournaments, while helping kids in our community and abroad play the game our kids are so fortunate to play. Here's how your team can do its part to see that ALL kids can have all the fun and learn all the valuable life lessons as our kids, playing baseball.

We will be selling cowbells to raise money for KCK RBI (Reviving Baseball in Inner Cities) and Pitch In For Baseball, two organizations that are all about giving kids access to a better life through baseball. **100% of our proceeds will be donated.** Let's demonstrate to OUR kids that we can make a difference (not to mention some NOISE to add to the awesome atmosphere of the Cowtown Showdown!).
